FDB HOLDINGS LIMITED

(豐展控股有限公司)

(a company incorporated in the Cayman Islands with limited liability)

Annexure

Rule 3.13 of the Main Board Listing Rules

In assessing the independence of a non-executive director, the Exchange will take into account the following factors, none of which is necessarily conclusive. Independence is more likely to be questioned if the director:—

- (1) holds more than 1% of the number of issued shares of the listed issuer;

Notes:

- 1. A listed issuer wishing to appoint an independent non-executive director holding an interest of more than 1% must satisfy the Exchange, prior to such appointment, that the candidate is independent. A candidate holding an interest of 5% or more will normally not be considered independent.*
 - 2. When calculating the 1% limit set out in rule 3.13(1), the listed issuer must take into account the total number of shares held legally or beneficially by the director, together with the total number of shares which may be issued to the director or his nominee upon the exercise of any outstanding share options, convertible securities and other rights (whether contractual or otherwise) to call for the issue of shares.*
- (2) has received an interest in any securities of the listed issuer as a gift, or by means of other financial assistance, from a core connected person or the listed issuer itself. However, subject to Note 1 to rule 3.13(1), the director will still be considered independent if he receives shares or interests in securities from the listed issuer or its subsidiaries (but not from core connected persons) as part of his director's fee or pursuant to share option schemes established in accordance with Chapter 17;
- (3) is a director, partner or principal of a professional adviser which currently provides or has within one year immediately prior to the date of his proposed appointment provided services, or is an employee of such professional adviser who is or has been involved in providing such services during the same period, to:
- (a) the listed issuer, its holding company or any of their respective subsidiaries or core connected persons; or
 - (b) any person who was a controlling shareholder or, where there was no controlling shareholder, any person who was the chief executive or a director (other than an independent non-executive director), of the listed issuer within one year immediately prior to the date of the proposed appointment, or any of their close associates;
- (4) has a material interest in any principal business activity of or is involved in any material business dealings with the listed issuer, its holding company or their respective subsidiaries or with any core connected persons of the listed issuer;
- (5) is on the board specifically to protect the interests of an entity whose interests are not the same as those of the shareholders as a whole;
- (6) is or was connected with a director, the chief executive or a substantial shareholder of the listed issuer within two years immediately prior to the date of his proposed appointment;

Note: Without prejudice to the generality of the foregoing, any person cohabiting as a spouse with, and any child, step-child, parent, step-parent, brother, sister, step-brother and step-sister of, a director, the chief executive or a substantial shareholder of the listed issuer is, for the purpose of rule 3.13(6), considered to be connected with that director, chief executive or substantial shareholder. A father-in-law, mother-in-law, son-in-law, daughter-in-law, grandparent, grandchild, uncle, aunt, cousin, brother-in-law, sister-in-law, nephew and niece of a director, the chief executive or a

substantial shareholder of the listed issuer may in some circumstances also be considered to be so connected. In such cases, the listed issuer will need to provide the Exchange with all relevant information to enable the Exchange to make a determination.

- (7) is, or has at any time during the two years immediately prior to the date of his proposed appointment been, an executive or director (other than an independent non-executive director) of the listed issuer, of its holding company or of any of their respective subsidiaries or of any core connected persons of the listed issuer; and

Note: An "executive" includes any person who has any management function in the company and any person who acts as a company secretary of the company.

- (8) is financially dependent on the listed issuer, its holding company or any of their respective subsidiaries or core connected persons of the listed issuer.

An independent non-executive director shall submit to the Exchange a written confirmation which must state:

- (a) his independence as regards each of the factors referred to in rule 3.13(1) to (8);
(b) his past or present financial or other interest in the business of the issuer or its subsidiaries or any connection with any core connected person (as such term is defined in the Exchange Listing Rules) of the issuer, if any; and
(c) that there are no other factors that may affect his independence at the same time as the submission of his declaration and undertaking in Form B or H of Appendix 5.

Each independent non-executive director shall inform the Exchange as soon as practicable if there is any subsequent change of circumstances which may affect his independence and must provide an annual confirmation of his independence to the listed issuer. The listed issuer must confirm in each of its annual reports whether it has received such confirmation and whether it still considers the independent non-executive director to be independent.

Note: The factors set out in rule 3.13 are included for guidance only and are not intended to be exhaustive. The Exchange may take account of other factors relevant to a particular case in assessing independence.
