PROFIT WARNING

This announcement is made by FDB Holdings Limited (the “**Company**” and its subsidiaries, collectively the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on a preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2025 and information available to the Company, the Group is expected to record a net loss in the range of approximately HK\$3.0 million to approximately HK\$7.0 million for the six months ended 30 June 2025, as compared to a net profit of approximately HK\$5.3 million for the six months ended 30 June 2024.

The net loss was primarily due to a reduction in gross profit margin due to an increase in contracting and consultancy-related expenses, which compressed margins and impacted profitability. The Group therefore recorded a net loss during the six months ended 30 June 2025 as compared to a net profit for the six months ended 30 June 2024.

The Company is still in the process of finalising the interim results of the Group for the six months ended 30 June 2025. The information contained in this announcement is only based on the preliminary assessment by the Board with reference to the unaudited consolidated management accounts of the Group and other information currently available to the management for the six months ended 30 June 2025, which has not been audited or reviewed by the auditors and the audit committee of the Company, and shall be subject to adjustments. The actual financial information of the Group for the six months ended 30 June 2025 may be different from the information disclosed in this announcement. Shareholders of the Company and potential investors are advised to read carefully the interim results announcement of the Company for the six months ended 30 June 2025, which is expected to be published by the end of August 2025.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
